

“FENCING BLITZ”

A friendly, ‘non-competitive’ tournament and social event.

Pembroke FC invites all young children to take part in a new format fencing tournament - “FENCING BLITZ”. It is a relaxed, ‘non-competitive’ event designed to give participants lots of fencing as no fencer is ever eliminated (although scores are recorded in each bout). This format is intended to avoid the pressure some children might feel in a traditional competition where they might be knocked out.

All children will be divided by age into groups, 5-6 children in each group (or “pool” in fencing terminology). They will fence against each other in bouts up to 5 points, one or two rounds of pools....no direct elimination....every child gets to fence until the end of the tournament and everyone gets a medal for participation.

We invite the parents/guardians/friends to bring some food and soft drinks and share it with the participants in the foyer during and after the event is over. Everyone will be invited to enjoy the food and chat to each other about fencing (and any other common interests!)
